

Disability is...

1 hour, yes that's right, 1 hour Employee development events:

- More than 100 people trained in a day
- Enabling employee confidence in disability issues
- Understanding/applying the social model of disability
- Your role in the Disability Equality Duty (Public Authorities)
- Employees committed to action that will make a difference
- Improved service and employment performance
- Development that people remember leading to change

Health warning! Not for the faint hearted, these workshops are lively, highly participative, challenging, innovative, informative and fun. No 'death by powerpoint' here!!
